

Opening of a New Office in Cape Town

Here's yet another warning from our courts of the importance of complying with your local We are pleased and excited to announce the opening of a new branch office in Adderley Street, Cape Town.

Cape Town was recently named the Third Greatest City on Earth by the UK's Telegraph Newspaper, following Barcelona (Spain) and Sydney (Australia). As the central commercial hub for the Western Cape and home of the province's Deeds Office, it makes sense for us to expand our footprint to this great city. Our Cape Town clients can now look forward to even better and faster legal services, and we look forward to welcoming new clients from the city and surrounding areas.

Along with our established offices in Paarl and on Val de Vie Estate, our Cape Town office is the natural next step for our expanding client base and practice areas.
